CAI'S GRAND CASINO BRUSSELS VIAGE HOLDS ECA'S EUROPEAN DEALER CHAMPIONSHIP 2023 IN STYLE

In less than two months, Grand Casino Brussels VIAGE stepped up to the challenge to organize and host the prestigious European Dealer Championship 2023. And it did so in true style, perfectly demonstrating the range of facilities VIAGE has to offer: from a gala dinner show, an impressive competition area to a celebration dance party.

With 37 talented contestants from 20 countries across Europe and over 240 guests, the competition was a thrilling showcase of skill, precision and camaraderie. Over just two gripping days, these exceptional dealers went head-to-head in a series of challenges, demonstrating their expertise in various casino games, customer service and technical skills.

Grand Casino Brussels own dealer, Mathieu Leclercq (photo r.), qualified for the finals, but Alessandro Mesina from Les Ambassadeurs in the UK ultimately prevailed to take home the title of European Dealer Champion 2023.

The photos below offer just a brief insight into this superb event, which would not have been possible without the help of VIAGE's great team and partners.
